InsO Excellence: High quality standards of PLUTA confirmed

11 August 2015 · Ulm/Stuttgart

Mr. Michael Pluta, member of the Gravenbruch Circle since March 2012, has once more succeeded in meeting the “InsO Excellence” requirements for the Ulm and Stuttgart offices. Certification involves a certificate specific to insolvency, which was developed by the “Gravenbruch Circle” (a group of insolvency lawyers) and is obligatory for the members of this Circle with respect to the quality of organising and handling proceedings. The comprehensive criteria catalogue is based on the ISO 9001:2008 norm and specifies the demands placed on quality management by insolvency administrators.
